

Thank you

---

Dear Little Garden Nursery Kentish Town Staff

We want to say a huge thank you for being part of the Barts Health team and for the wonderful support you are giving to the children of our staff.

Our hospitals are facing real challenges as we continue to look after the people who need it most. We are enormously grateful to the schools, early years settings, nannies, childminders and babysitters who have worked extremely hard in challenging conditions to provide childcare and education for keyworker families.

By providing positive, safe and fun environments for children you have enabled our staff to do their jobs with the knowledge that their children are cared for. We recognise that many of your team will have faced difficulties working through the pandemic and will have left their own families to look after ours.

If you have pictures done by children that you'd like to share with us it would really make us smile! To make sure we see it, all you need to do is tag us in your post using @NHSBartsHealth on Twitter #TeamBartsHealth and Instagram and @BartsHealth on Facebook.

With very best wishes and thanks from us all at Barts Health, thank you for being such an important part of the team!

Group Chief Executive Officer

Caroline Alexander,  
Group Chief Nursing Officer

Alistair Chesser,  
Group Chief Medical officer

THANK YOU!

Dear Everyone at LGN-Ktown!

We just wanted to say a big  
thank you for your extraordinary  
hard work. Your help really  
has been appreciated.

Charlie, Toni + Felix.
